

PRESS RELEASE

The IEEE 12th International Conference on
Application of Information and Communication Technologies

AICT2018

Almaty, Kazakhstan, 17-19 October 2018

www.aict.info

The IEEE 12th International Conference on Application of Information and Communication Technologies (AICT2018) will be held in Almaty, Kazakhstan on the 17, 18 and 19th of October 2018.

The AICT2018 is co-organized by the Kazakh-British Technical University (KBTU), Al-Farabi Kazakh National University (KazNU), Suleyman Demirel University (SDU), ADA University with support IEEE Azerbaijan Joint Chapter and technically sponsored by Institute of Electrical and Electronics Engineers (IEEE). AICT2018 will offer oral, keynote speeches, tutorials and professional meetings. Submitted papers are expected to cover state-of-the-art technologies, theoretical concepts, standards, products implementation, ongoing research projects as well as application issues of the ICT. In the previous AICT was joined by hundreds of participants from several countries including Australia, Azerbaijan, Brasilia, China, Finland, Georgia, Germany, India, Iran, Italy, Japan, Kazakhstan, Korea, Latvia, Malaysia, Pakistan, Philippines, Portugal,

Romania, Russia, Slovakia, Spain, Sweden, Thailand, Turkey, Ukraine, United Kingdom, United States, Uzbekistan, etc.

Building on the success of previous conferences held in Azerbaijan, Uzbekistan, Georgia, Kazakhstan and Russia, AICT2018 is expected to be one of the most significant international academic conferences in the field of ICT implementation, which draws together researchers, academics, practitioners around the world to exchange, reveal and promote the latest advances and technologies in regards of the Application of Information and Communication Technologies (ICT) in Education and Research, Business and Administration, Industry, Governance, Health Care, Humanities and Social Sciences.

Researchers, practitioners and distinguished speakers will present their proposals of original research addressing business and technical issues, challenges, solutions, and technologies in building applications, complete solutions and ICT-based services.

AICT2018 conference is focused in the scientific topics classified into the following technical tracks:

- Big Data Management and Application
- Data Mining and Data Engineering
- High Performance Computing and Machine Learning
- Cyber Security Issues
- Latest Trends in ICT Application
- Communication, network and hardware
- ICT in Business Administration, Governance, Finance and Economy
- ICT in Education and Research
- ICT in Medicine and Health Care
- ICT in Fuel and Energy Industry

Opening Ceremony, Keynote, Tutorial Sessions, Technical Sessions and Closing Ceremony will take place at the Kazakh-British Technical University (KBTU) in October 17. All events of the second day (October 18) Keynote and Concurrent Technical Sessions will be held at the Al-Farabi Kazakh National University (KazNU). The third final day of conference (October 19) that includes Concurrent Technical Sessions and Closing Ceremony will be held at the Suleyman Demirel University (SDU).
